*Centralina Economic Development Commission, housed in the Centralina Council of Governments, is a 501c3 organization serving the greater Charlotte region and supporting the key activities proposed in the Centralina Regional Comprehensive Economic Development Strategy. The strategy outlines an approach to regional growth and prosperity that builds on the region's strengths, emphasizes key regional industry clusters, and prioritizes economic development projects. The Commission is supported by the Board of County Commissioners in nine North Carolina counties (Anson, Cabarrus, Gaston, Iredell, Lincoln, Mecklenburg, Rowan, Stanly, and Union) and by the City of Gastonia and the Town of Mooresville.*
